December Chapter Meeting: Our Chapter Meeting Location:

CMTA

600 Orlando Ave, Maitland, FL

32751, FLOOR 3, TAKE ELEVATOR

ON RIGHT HAND SIDE.

Hi ASPE,

There is no meeting for December we will see you in January back at CMTA's office on Tuesday January 27th! Be sure to check out the message from The President and the Board!

CENTRAL FLORIDA

Local Chapters are not authorized to speak for the Society.

[illegible]

Happy Holidays Members,

The end of the year is flying by, and I can't believe it is almost 2026!

On November 18th, we had our technical meeting as a Backstage Tour at Epic Universal. This tour included 15 ASPE Central Florida members and it was a 2-hour backstage tour of plumbing equipment. Thank you, Taine Dagostino for setting up the tour for us and thank you to the Epic Universal team for their time and support.

On December 4th, we had our Region 3 Top Golf Tournament against South Florida and Atlanta as our Holiday Party this year. Thank you, Jonathan Kennen, Julie Hadfield, Freddy Hernandez and Rodger Nodine for organizing this event over the last two years! Everyone that came out had a wonderful time! Congratulations to South Florida on their Victory! The Top Golf Trophy will be heading down your way shortly. Thank you to all our sponsors for this event! We couldn't put on events like this for our membership without your support. Thank you to the ASPE Central Florida sponsors: Viega, Moen, Victaulic, SSA, Carr Company and Absolute Water Technologies!

Our Next technical meeting will be on January 27, 2026, at CMTA office. Join us for our Sports night as we learn more about Booster Pumps from Ed Ross with Quantum Flo. See our website for more information at cf-aspe.com.

We have Central Florida/West Coast ASPE 16th Annual Clay Shoot on February 6, 2026, at Tenoroc. Come on out for some fun and competition! Sponsorship information has been posted on our websites under events. I'll see you there!

There has been a change for the Double Date Hockey night with WOA and AYP. The Solar Bears had a change in their schedule and February 20, 2026, game is no longer on their schedule. This event has been cancelled because of this. AYP will be rescheduling Hockey Night in March 2026. Stay Tuned for more information on that!

New Event Alert! I am so excited to announce ASPE Central Florida will have a volunteer day at Camp Boggy Creek on February 21, 2026, from 9am – 1pm. Camp Boggy Creek is in Eustis, Florida and founded in 1996 by actor Paul Newman and General H. Norman Schwarzkopf. Camp Boggy Creek was built with the powerful idea that every child no matter what their illness deserves to experience a magical camp. That provides a life-changing experience with serious medical conditions that can find a deep sense of belonging and empowerment. Attend our technical meeting in January to find out more information!

On behalf of the ASPE Central Florida Board, we wish all of you Happy Holidays and a Happy and Healthy New Year!

WASTEWATER DIVERSION SYSTEMS, INC.

WDS ON DEMAND

Over 45 years Experience | 100% American-Owned and Operated

WDS DEMAND DRIVEN WASH DOWN WITH CAN WASH

Trash can wash out CANNOT go to the stormwater. It must be contained and sent to the sewer. WDS solved the problem by incorporating our can wash into our wash-down systems.

Trash cans are clean & wash pads are clean because our lead-free diversion valve opens with water use to send all wash water to the sewer. When the wash is finished, the diversion valve automatically closes, sealing the sewer & directing clean rainwater to the storm drain.

WDS uses American made materials from American companies to build an American made product.

Model WDS-WDTS4X4CW

Suitable for but not limited to the following uses:

Airport Wash Sites, Container Wash Bays, Dog Kennels and Dog Parks, Emergency, Pool, Deck and Beach Showers, Fast Food, and all Trash Bin Locations, Fire Truck Wash Down, Trash Can Wash Down, Loading Docks, Marinas, Military Equipment Wash Pads, Rental Car Locations, Schools Food and Trash Bin Areas and other Unroofed Wash Pads.

Complies with CA Prop 65
