President's Report **P.2**

ASPE CLAY SHOOT **P.3-4**

January Chapter Meeting:

When: January 27, 2026

Time: 6:00pm-8:00pm

Topic: Designing Domestic Water Boosters

ASPE Chapter 5 Method

Presented by: Ed Ross

General Manager/Dir. of Sales, QuantumFlo Wilo
USA

Bio: Ed Ross represents QuantumFlo by Wilo specializing in engineered domestic water booster systems. He collaborates with plumbing engineers and designers to support code-compliant, energy-efficient system design.

This technical meeting is one you won't want to miss. It's our Sports Night Technical Meeting! Come out with your jerseys on and support your team.

NEW LOCATION: CMTA OFFICE LOCATED AT 600 SOUTH ORLANDO AVE, MAITLAND, FL 32751, CONFERENCE ROOM ON THIRD FLOOR, BEHIND THE GLASS DOORS AS YOU GET OFF OF ELEVATOR - FOR PARKING INSTRUCTIONS SEE BELOW.

Thank you CMTA for hosting our monthly meetings!

CENTRAL FLORIDA

Our Chapter Meeting Location:

CMTA

**600 Orlando Ave, Maitland, FL
32751, FLOOR 3, TAKE ELEVATOR
ON RIGHT HAND SIDE.**

Local Chapters are not authorized to speak for the Society.

President's Report—By Jennifer Kline

Email: JKline@peifla.com

Happy New Year!

I hope everyone had a wonderful Holiday season with their family and friends.

Our Next technical meeting will be on January 27, 2026, at CMTA office. Join us for our Sports themed night as we learn more about Booster Pumps from Ed Ross with Quantum Flo. See our web-site for more information at cf-aspe.com.

We have Central Florida/West Coast ASPE 16th Annual Clay Shoot on February 6, 2026, at Tenoroc. Come on out for some fun and competition! Sponsorship information has been posted on our web-sites under events. I'll see you there!

There has been a change for the Double Date Hockey night with WOA and AYP. The Solar Bears had a change in their schedule and February 20, 2026, game is no longer on their schedule. This event has been cancelled because of this. AYP will be rescheduling Hockey Night in March 2026. Stay Tuned for more information on that!

New Event Alert! I am so excited to announce ASPE Central Florida will have a volunteer day at Camp Boggy Creek on February 21, 2026, from 9am – 1pm. Camp Boggy Creek is in Eustis, Florida and founded in 1996 by actor Paul Newman and General H. Norman Schwarzkopf. Camp Boggy Creek was built with the powerful idea that every child no matter what their illness deserves to experience a magical camp. That provides a life-changing experience with serious medical conditions that can find a deep sense of belonging and empowerment. Attend our technical meeting in January to find out more information!

See you soon!

WASTEWATER DIVERSION SYSTEMS, INC.

WDS ON DEMAND

Over 45 years Experience | 100% American-Owned and Operated

WDS DEMAND DRIVEN WASH DOWN WITH CAN WASH

Trash can wash out CANNOT go to the stormwater. It must be contained and sent to the sewer. WDS solved the problem by incorporating our can wash into our wash-down systems.

Trash cans are clean & wash pads are clean because our lead-free diversion valve opens with water use to send all wash water to the sewer. When the wash is finished, the diversion valve automatically closes, sealing the sewer & directing clean rainwater to the storm drain.

WDS uses American made materials from American companies to build an American made product.

Model WDS-WDTS4X4CW

Suitable for but not limited to the following uses:

Airport Wash Sites, Container Wash Bays, Dog Kennels and Dog Parks, Emergency, Pool, Deck and Beach Showers, Fast Food, and all Trash Bin Locations, Fire Truck Wash Down, Trash Can Wash Down, Loading Docks, Marinas, Military Equipment Wash Pads, Rental Car Locations, Schools Food and Trash Bin Areas and other Unroofed Wash Pads.

Complies with CA Prop 65

Specs and drawings available at eeeusa.net

APPROVED TO 254 2016
File Number 16834

Made in AMERICA

HARRY WARREN, INC

"Proudly Representing Quality Manufacturers Since 1968"
